

ATTEND GREENBUILD EUROPE FOR FREE!

Volunteer for five hours on 24-25 March, 2020 and receive a complimentary conference registration.

In 2020, Greenbuild – the world’s largest conference dedicated to green building – will come to Europe for two days of education, collaboration and inspiration. At Greenbuild, the ideals and passion of the green building movement come alive. Greenbuild Europe will bring together industry leaders, experts and professionals on the front line – leading the charge for sustainability in the built environment. Greenbuild Europe 2020 will take place in Dublin, Ireland at Croke Park, March 24 - 25, 2020.

VOLUNTEER JOBS

- **Education Session Room Monitor:** Liaise with presenters, manage session timing, and work with Greenbuild Europe staff to ensure education sessions run smoothly, all while listening to the engaging session content.
- **Registration Staff:** Greet and check-in attendees, as well as assist with general conference attendee questions.

SCHEDULE

Day	Time
Tuesday, 24 March	8:00 - 13:00 12:30 - 17:30
Wednesday, 25 March	7:00 - 12:00 12:30 - 17:30

The 2020 Greenbuild Europe Conference provides an exciting opportunity for students and emerging professionals. Attend education sessions, gain hands-on volunteering experience, and network exclusively with green building industry leaders, professionals, and companies.

In exchange for volunteering for 5 hours with us, you will receive the following benefits:

1. A free Full Conference Pass, which includes access to Plenary Sessions, Conference Education Sessions, Lunch, and the Greenbuild Celebration.
2. Access to Education Sessions on topics such as Building Performance, Health and Well-Being, Market Transformation, Materials, Net Zero, Social Responsibility, Community Action & Engagement, and more.
3. Networking Opportunities with Leaders, Professionals, and Companies.
4. Free Volunteer T-Shirt and Certificate of Participation in the Greenbuild Europe 2020 Volunteer Program
