

## Volunteer Program FAQs

### **When and where is the conference?**

The conference will take place at the Shanghai Tower, October 23-24. Visit our [website](#) for the full schedule.

### **What are the requirements of the volunteer program?**

You must be a full-time student or a young professional age 25 & under to be eligible

### **What do I wear to Greenbuild China?**

Business casual attire is appropriate for the conference. You will be provided with a volunteer badge to wear during your shift.

### **Can I attend Greenbuild China events and educations before or after my Volunteer shift?**

You may attend conference sessions before completing your five (5) hours, as long as they do not conflict with your scheduled volunteer shift times. *If you plan to attend a session before any of your shifts have begun, you will need to collect your conference badge at the Registration Desk.*

### **What if I do not complete my full five (5) hours of volunteer service but still attend Greenbuild China?**

You will be charged the price of a 2-day conference pass.

### **What day and time is my shift?**

In the next follow up email, we will provide you details on your shift time and date. You must arrive 15 minutes prior to your shift starting. Please remember, the benefits you receive are in exchange for 5 hours of volunteering.

### **What are my benefits?**

Free *Full* Conference Pass which includes access to Plenary Sessions, Conference Education Sessions, the Expo Hall, Greenbuild Celebration, and Lunches.

### **When is the Greenbuild Celebration?**

*Wednesday, October 24, 2018 from 16:00-18:00*

Greenbuild will convene the industry for a fun-filled evening of entertainment, food, and networking.

### **Can I attend the Women in Green Power Breakfast?**

The Women in Green Power Breakfast is not included in the full conference pass and if you choose to attend, there will be an additional fee required. The cost for the breakfast is ¥400. Additionally, if you

register to attend the Women in Green Breakfast, you must ensure that this does not conflict with your volunteer shift timing.

**Where can I find out more about the education sessions topics and times?**

This information is available on our [website](#) under Schedule/Sessions. We highly encourage you to look at the education sessions we will offer so you can pre-determine which education sessions you would like to attend based on your interest.

**Where can I get my Certificate of Education Credits for Education Sessions attended?**

When attending education session, be sure to have your badge scanned as you enter. Your credit will automatically be reported to GBCI for credits.

**How can I reduce my environmental impact at Greenbuild China 2018?**

Here are a few things that you can do to reduce your impact at the show: Bring a reusable water bottle or coffee mug; take public transportation, and properly dispose of your waste using recycling and compost receptacles.
